THE TRUTH ABOUT PAIN: 4 Reasons Why God Allows Evil and Suffering

Numerous studies have revealed the #1 reason Christians doubt their faith and why some people walk away from faith entirely is the presence of pain and suffering in the world. “If God is all-good, all-loving, and all-powerful,” they ask, “why is there such horrific suffering in the world?” In this much-needed presentation, Brian Tubbs tackles this issue - one many Christians are ill equipped to handle - and reveals insights that will strengthen your faith and deepen your appreciation for God.

What You'll Learn...

- Four things God CANNOT do!
- Why “evil” and suffering are even bigger problems for atheists
- ...and much, much more!
